Dear Sirs,

5231 – Sussex Police Radio Mast Fencing

We are appointed by Sussex Police & Crime Commissioner, lessees of the above.

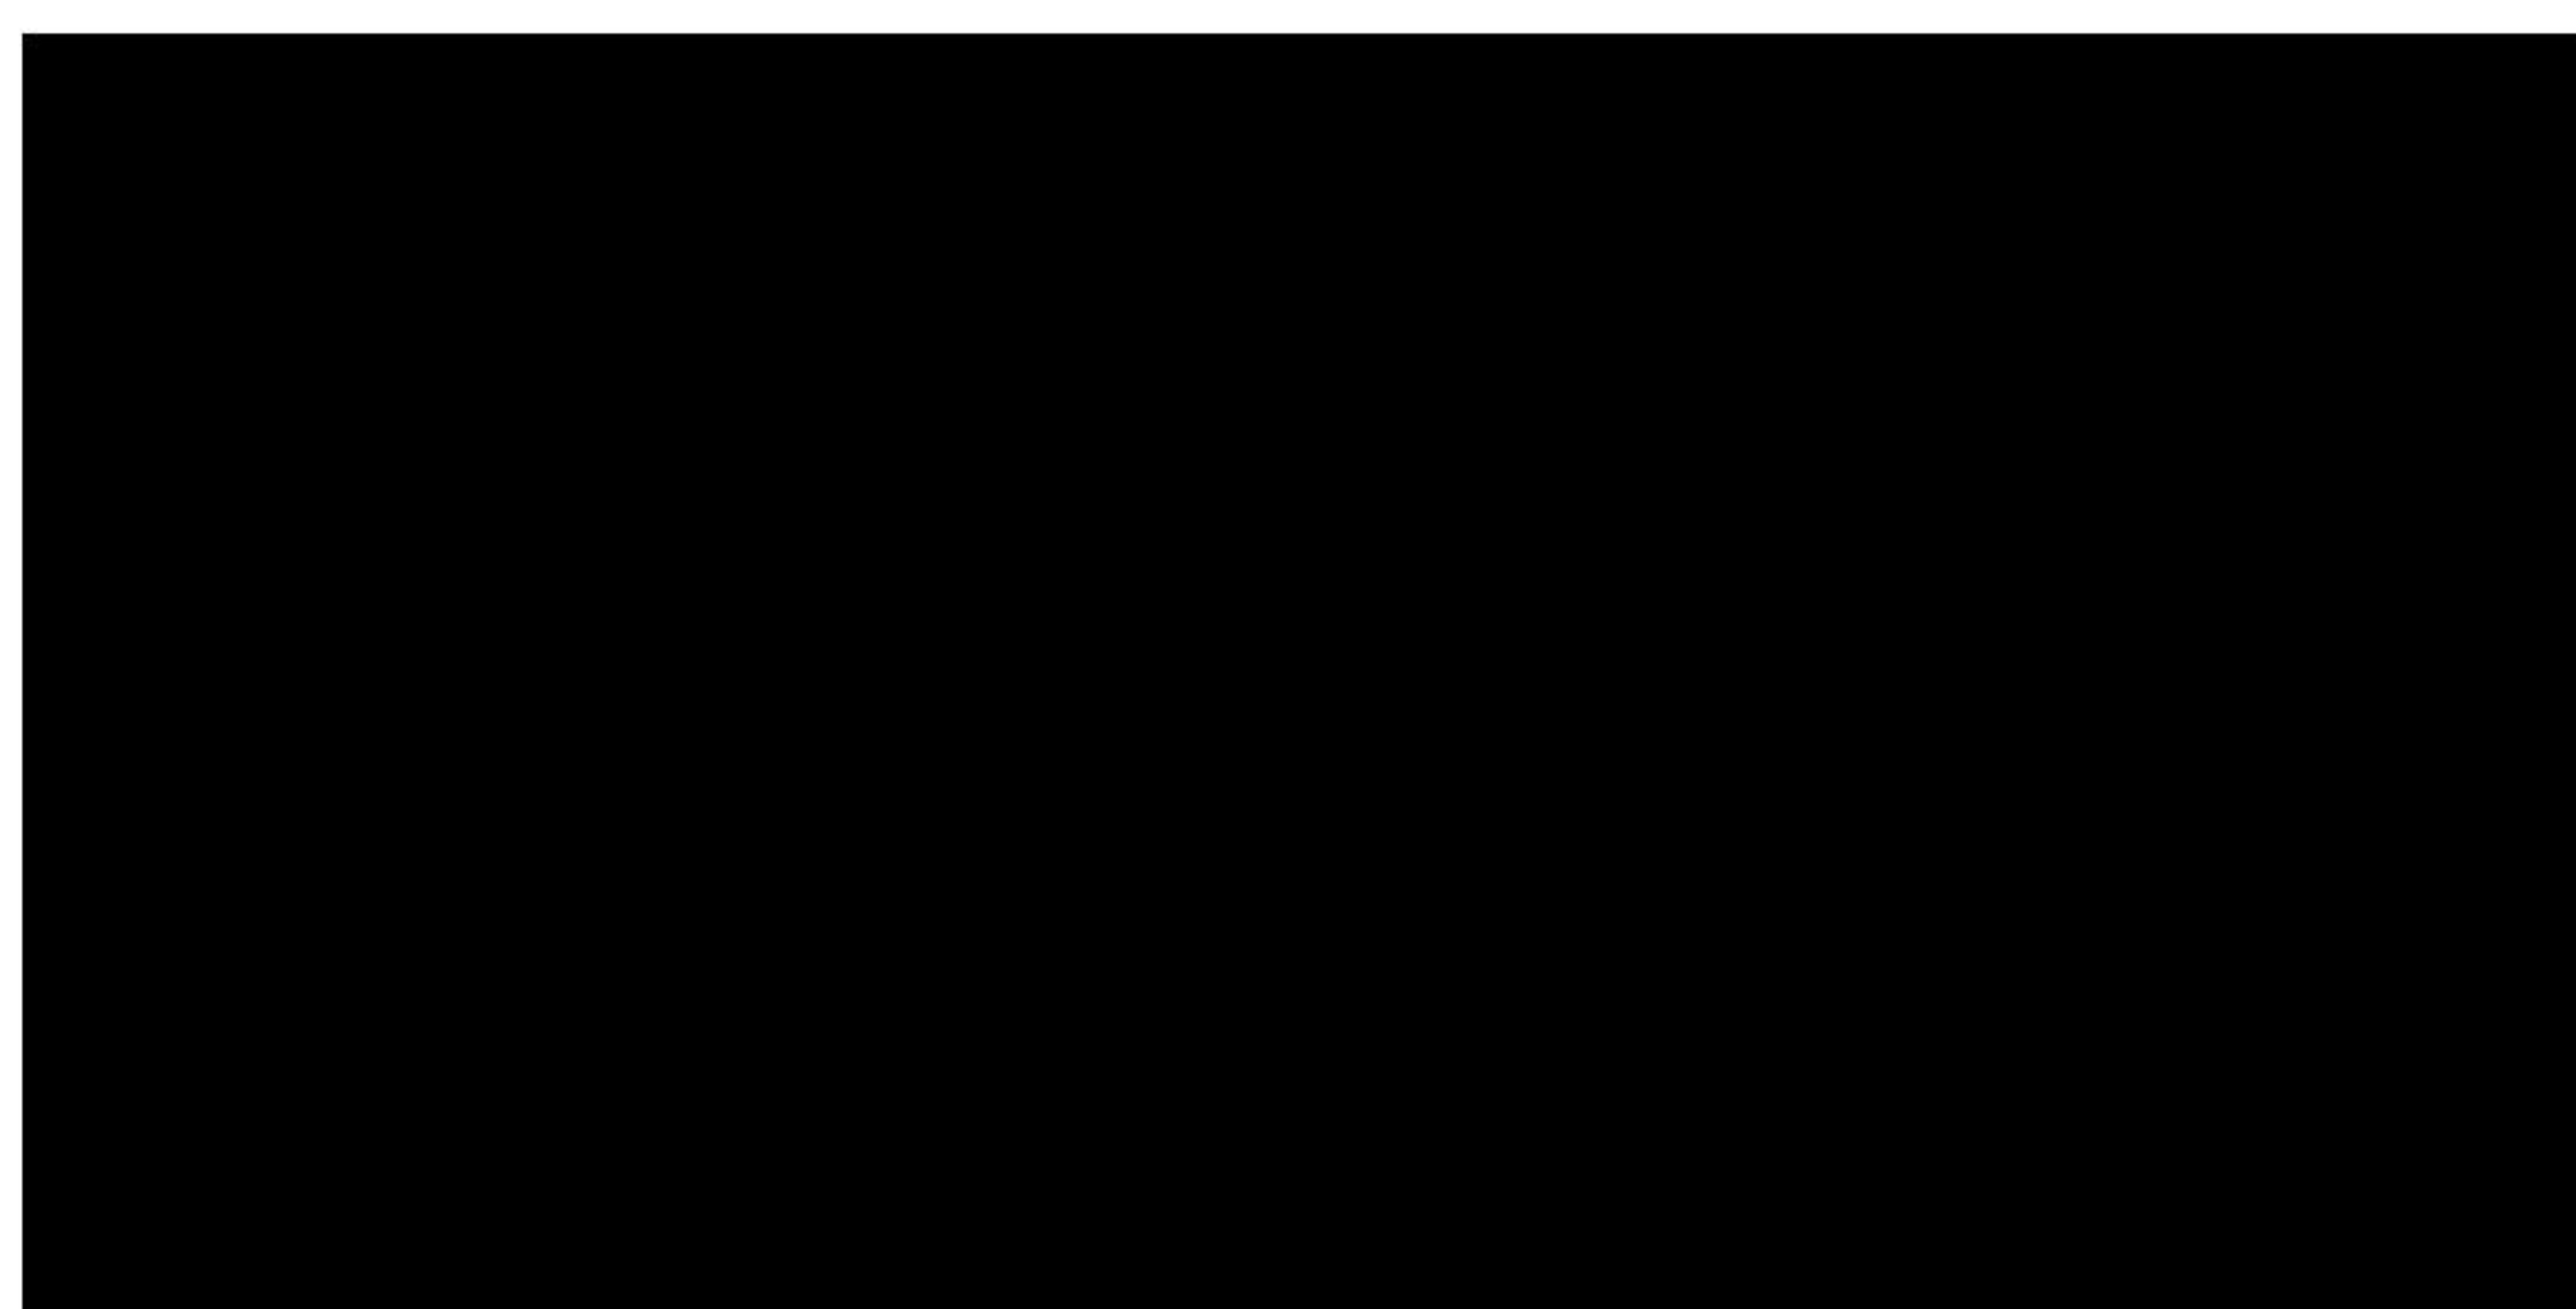

To meet increased security requirements associated with the protection of critical infrastructure, it is proposed to replace the existing perimeter security fencing and gates to the mast compound.

Accordingly, we enclose the requisite notice, duly completed.

Details for any comments you may have are included in the notice.

If you have any specific questions about the proposal, please do not hesitate to contact the undersigned.

Yours sincerely,
