Reasons for comment:	
Comments:	Hi there MSDC Sure will be strange walking down Burleigh Lane in future. Lived here since 1958, my mother since 1923. This land around here produced fine crops with a blessed environment. Sad to see it disappearing bit by bit. Shame about the Cat B oaks but hey so what, a chain saw can reduce those real quick. All those critters

don't stand a chance. We'll soon forget 'em and carry on. All those fancy planning considerations soon get round any objections.

Sorry for objecting by the way. I'm just general public. Pay your wages, that kind of thing. I'm real lucky. Can still see a bit of countryside that hasn't been filled. You know, wildlife, fields, that kind of thing.

All the best

Kind regards
