Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I oppose the planned housing Demolishing the two properties for access to the housing will isolate the bungalow and the owner and will make the road layout very dangerous for the bungalow and surrounding properties.

The Village is being over developed without thought of the infrastructure ,doctors surgery, school and green spaces, the wildlife have already been displaced by previous developments.

This is a village but slowly becoming a town and losing it's identity.

Kind regards
