Dear Sir/Madam

East Lodge, 23A Bolnore Road, Haywards Heath, RH16 4AB

Please find attached our Housholder planning application for a proposed single storey extension at the above.

These comprise the side extension of the existing roof pitch with a catslide roof leading down to ground floor roof level with a traditional projecting pitched storm porch to the entrance, and a side extension with a flat roof and raised parapet to form a new family room.

We are proposing to use matching materials within a sympathetic design which will have no adverse effect on any neighbouring properties but will provide an improved and more useable family accommodation.

I trust you find the application in order and I look forward to progressing matters with you in the coming weeks, but should you require any further information please do not hesitate to contact me.

Yours faithfully
