| Commenter Type: | Neighbour or general public |
| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | |
| Comments: | I object as a neighbour and resident of Wealden way. There is no need for this property as it would cause blight. There are already huge flooding issues caused by this property which affects neighbouring properties and therefore further building of property is going to worsen this problem The access to this property is via an alternative route which this person should use. |

Kind regards
