| Stance:  | Customer objects to the Planning Application  |
| Reasons for comment:   |   |
| Comments:  | I object the proposal of a dwelling and road to be built adjacent to Great Hayward and Wealden Way. |
| As a member of the neighbour hood I regularly see the Badgers and Foxes that reside in this green space. To destroy their habitat for yet another new build would be catastrophic. |   |

We also experience flooding in this corner of the neighbour hood, which proves problematic for access when on foot. Further development and disturbance will surely make this worse.
