Dear Mr Watt.

Ref: Planning application **DM/25/2438** relating to 22 Haywards Road, Haywards Heath.

We have reviewed the revised plans and associated documents, and believe that the areas of concern which we previously raised against planning application DM/25/0890, relating to the first floor extension protruding past the existing side wall of the house and exceeding the permitted development right width by 1.5m and the proposed use of zinc cladding for the upper storey, have now been satisfactorily redressed. We, therefore, have no further comments or concerns relating to the revised planning application DM/25/2438.

Yours sincerely,

25 Haywards Road, RH16 4HX.
