Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	While I have no objection in principle for one set of modern buildings being replaced with another in this location, I would urge the Committee to consider the detailed comments and observations on traffic in the representation dated 6/1/25 from 6 Park View, Sydney Road, and also to consider the effect on the operation of the much-used southbound bus stop serving the station and adjacent to the proposed store.

Kind regards
