Commenter Type:	Business or other organisation
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Good Afternoon, I write as Chirman of Haywards Heath Cricket Club, located next to the proposed site of development. As a club we have a neutral opinion of the overall development,

however we wish to raise two areas of concern.

Given the proximity of the border of the proposed site, we are concerned about the safety of shoppers at the Aldi store given the propensity for cricket balls to be hit over the fence and into the proposed site.

As this site is currently an office car park, it is not frequented by people when games are on - mostly Saturdays and Sundays during the cricket season.

We are now concerned that as this will be prime shopping periods for Aldi customers that this will be a potential hazard for Aldi's customers.

We would suggest that as part of the development, a large screening net be erected, similar to the one at the northern end of Clair Park (currently protecting Park View), to protect shoppers.

Our second area of concern is the carparking facilities. We are worried that should there be insufficient parking on the proposed site, that shoppers would revert to the Clair Park carpark and make it more difficult for park users (cricketers and otherwise) to park their cars for recreational use.

We are happy to discuss further and would be most grateful if our concerns be taken into consideration.

Kind regards,
Matt Jeffers - Chairman
For and on behalf of Haywards Heath Cricket Club

Kind regards
