Address: 5 Park View, Sydney Road Haywards Heath

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Our objection is based on the below considerations. 1. Location of refrigeration unit - Plans suggest this to be located very close to properties in Park View, and our back garden. When I visited the town hall meeting, the Aldi employee expressed

"This would not be any louder than the current ambient noise"

This is not reassuring or convincing.

There is no ambient noise at the dead of nights, and thus this would be a new noise we would all be subject too - impacting our sleep and wellbeing.

2. Traffic - In peak hours, Perrymount road is often clogged up due to vehicles trying to get in to the station pick up, this often leads to people driving erratically and dangerously around the roundabout to being frustrated in their delays...

Introducing traffic in the opposite direction, now potentially building up due the public queuing to get in to an Aldi carpark after work - traffic will barely move - Increasing dwell time for cars and thus pollution.

3. Disturbance and noise from the construction of the new store.

An obvious one. But with the increase in working from home hours, we need to be mindful of noisy construction works.

Kind regards
