

- GENERAL NOTES
- It is the Contractor's responsibility to ensure that the final construction conforms with the design principles, calculations and drawings, and with the current building regulations and all relevant British and/or European codes of practice, as appropriate.
  - The Contractor shall comply with their duties under the latest and current CDM Regulations and, if collaboration is required from GENERATION EDGE, this shall be requested in a timely manner.
  - The Contractor must verify all site dimensions and check all drawings, details and specifications, and report any discrepancies to GENERATION EDGE, before proceeding with any work.
  - All requested drawings showing fixings and construction details are to be provided to GENERATION EDGE for comment and/or approval prior to commencement of work.
  - Proprietary items, products, components and materials are to be used or installed in strict accordance with the manufacturer's written recommendations.
  - Dimensions are only to be taken from the setting out information on relevant drawings and are not to be scaled from drawings.
  - This drawing is to be read in conjunction with relevant associated drawings from other consultants and the GENERATION EDGE drawing list.
  - Where any doubt exists as to requirements, the contractor should obtain clarification from GENERATION EDGE before proceeding.
