Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I see no problem with this development. It should be passed, as this store will bring employment to the town, also improvement to this area of the town which looks run down. With the economic climate as it is, the store will help the lower wealth families, buy quality food at a reasonable price.

Kind regards
