Comments Details

Commenter Type: Neighbour or general public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: We regularly suffer power cuts and issues with the power in the area, to the point we are paid compensation for the amount and duration. Adding homes onto this grid without the infrastructure is simply absurd.
Add onto this the main road is 1.5 vehicles wide in some places and it will create misery for all this in the villages.

Kind regards
