

Application reference: DM/26/0693

Site Address: 4 Lamin Way, Copthorne, Crawley, West Sussex, RH10 3ZG

Site Visit Date: 09.04.2026

North – Existing side elevation which features a number of windows of carrying sizes along the elevation.

South – Looking from the driveway from the south there is garden amenity space set within a wall, fence and brick pillar boundary.

East – Adjoining neighbouring dwelling which intersects the application sites roof and also utilises a red brick exterior.

West – Principal elevation of a highly comparable appearance to the property across the road at no.3.

Streetscene – Primarily red brick buildings of a highly comparable appearance, utilising similar brick detailing and fenestration arrangements nearby.

Other -
