Reasons for comment:	
Comments:	We live opposite the entrance to the Sports Club. The Club seems to be gaining in popularity since the new Trustees took over a few years ago, which is a very good thing for the community. We understand the Club's desire to increase parking spaces, however, occasionally, usually after 10pm, a very small minority of those leaving the Club car park in 'high performance' vehicles feel they must achieve 0-60 in seconds, and some drivers feel the need to sound their car horn as a sort of 'good bye' as they leave. It would be good if the Club could encourage drivers' leaving the Club entrance to consider the neighbours and leave without making unnecessary noise please, perhaps a Notice or two to this effect may help. Thanks.

Kind regards
