Reasons for comment:

Comments: There is absolutely no logical reason as to why this application shouldn't be supported.

These works will bring the building back to a high standard, providing a community space in Burgess Hill, which less face it, there is a massive lack of.

Park Centre has been re-developed by a brilliant team of volunteers to provide a safe space for young people, along with many other community groups.

This applications should be supported 100%!

Kind regards
