I am contacting you with regard to the above Planning Application

We have been only resided in Colwood Lane since October 2024 and live very close to Piccadilly Wood

We object to the permission requested

This is a very rural area of extreme tranquillity and outstanding natural beauty

It is full of wildlife - birds, deer and numerous other species

On race days it is very noisy and the roads end up being covered in mud - although methods are adopted to try to clean them up

The heavy traffic makes the otherwise quiet lane very busy and difficult to navigate for walkers /dogwalkers / cyclists/horses and their riders

Whereas on the whole we do find local motorists to be extremely considerate and thoughtful to others

The road structure is not equipped to deal with the heavy vehicles to be used on a daily or even weekly basis

I strongly urge you to please consider the application carefully bearing the above comments in mind.

Thank you
