Reasons for comment:	
Comments:	I'm writing in support of the proposed development. I walk up Orchard Lane regularly and often notice the variety and differing designs of the houses on the lane. I feel that this design is very sympathetic to the surroundings and in keeping with the architectural mix in the Hassocks area. Keeping the proposed ridge line as low as they have managed to, is very impressive - it

maintains the chalet aesthetic whilst providing the space that modern families need. Well done and all the best with your project.

Kind regards
