

## SITE VISIT REPORT SHEET

|                       |                                                             |
|-----------------------|-------------------------------------------------------------|
| <b>Ref:</b>           | <b>DM/25/1079</b>                                           |
| <b>Site Address:</b>  | <b>Burtenshaws, Church Platt, Cuckfield, Haywards Heath</b> |
| <b>Officer:</b>       | <b>Andrew Horrell</b>                                       |
| <b>Date of Visit:</b> | <b>09.05.2025</b>                                           |

|                                                                                                                                                |                                    |
|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| <b>The Site (Is block plan correct, levels, trees, highways/access, materials?)</b>                                                            |                                    |
| End of terrace two storey pitched roofed dwelling built under CU/003/75 , mix of timber doors and windows, face brickwork and plastic gutters. |                                    |
| <b>Adjoining Land (Land use, adj. trees, boundary treatment, materials?)</b>                                                                   |                                    |
| <b>North-East:</b>                                                                                                                             | Neighbouring Chainwalk House       |
| <b>South-East:</b>                                                                                                                             | Driveway to highway (Church Platt) |
| <b>South-West:</b>                                                                                                                             | Neighbouring Wayfarers             |
| <b>North-West:</b>                                                                                                                             | Highway (South Street)             |

**Street Scene (What is the general character like? Would this be sympathetic?)**

**Mix of dwelling types and styles, timber windows appear widespread, plastic gutters and painted white timber soffits.**

**Other Comments (Main issues, Neighbour Notification correct, any action required?)**

**Impact on Conservation Area**
