Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am writing to strongly object to this application for extended opening hours. Firstly, extending the hours from 6 am to midnight will cause significant noise disturbance and increase litter in our residential area, disrupting the peace of the local community Secondly, I believe that instead of extending hours, the council should consider shortening them. Large chains like McDonald's operating for such long hours creates unfair competition for local

small businesses. Supporting a diverse high street with shorter operating hours for major chains would better serve the community and local economy.

Kind regards
