Dear Sir/Madam

BROOKLEIGH END, BURGESS HILL
APPLICATION DM/23/0747 – CONDITIONS 8, 11 AND 20

We write on behalf of Cognition Land and Water and Homes England to submit an application to discharge conditions 8, 11 & 20 of application DM/23/0747 in relation to the parcel known as 'Foul Pumping Station on Sub Phase P1.8' (approved under reserved matters application DM/24/2010).

The application comprises the following documents:

For Condition 8:

- Construction Environment Management Plan

For Condition 11:

- Archaeological Evaluation and Watching Brief Report
- An email from the archaeological team confirming that all survey works are now complete and only the final written report is outstanding (and underway)

For Condition 20:

- Revised Ecological Impact Assessment Report

The application has been submitted via the planning portal with reference no: PP-14971002 and the appropriate fee paid at the point of submission.

If you have any queries regarding the application, please do not hesitate to contact me.

Yours sincerely
