MID SUSSEX DISTRICT COUNCIL

DM/26/1812

**Land Parcel Rear Of 31 And 32, Weald Close, Hurstpierpoint, West Sussex, , ,
Group of Ash trees - repollard.
Stephen Witchell**

Permission is sought for the works as described.

The trees are mature specimens with some visibility. They have not been pollarded for a number of years and contain a substantial amount of dead wood in the crowns.

For safety reasons, once a pollarding regime has begun, it should be continued.

In this case, the trees appear to be at the stage of requiring repollarding.

Permission is recommended.

Decision: Permission
