With reference to the above planning application you will be aware of the importance to the Council in determining applications according to the Government's timeframes of 8 or 13 weeks. I seek agreement with you to further extend the period available to determine the application to 18th September 2026 for the reason(s) noted below:

1. Awaiting comments from Consultee.

I would be grateful if you could confirm, in writing or by email, your agreement to this extension for the Council's records.

Yours faithfully
