DM/24/2950

**Land To Rear 88 Petworth Drive, Burgess Hill, West Sussex, RH15 8JY, , ,
Oak trees x3- reduce branches overhanging back garden by 1 - 2m and no further than previous
cut points.**

Mrs Marian Chappell

Permission is sought for the works as described.

This application has been amended to lesser, more appropriate works with the agreement of the applicant.

The tree is a mature specimen located outside the rear garden of the property. It extends over the garden and has previously been reduced.

Works will repeat those previously carried out and will increase light to the garden and rear windows.

Permission is recommended.

Decision: Permission
