MID SUSSEX DISTRICT COUNCIL

DM/24/3087

**Hambrook School, Marle Place, 171 Leylands Road, Burgess Hill, West Sussex, RH15 8HY,
Fraxinus Excelsior (European Ash) - fell and remove stump
Dominic Fairhurst**

The proposed work is to fell as ash tree.

The tree is located at the front of the school and overhangs the main road and the play area of the school. It is one of two ash trees

It is of high amenity value but has ash dieback. It is a multi-stemmed tree with some included bark near the base of the tree. It is generally in poor condition.

Given its proximity to the main road and the high target area, should it fail, it would not be worthy of a TPO.

Whilst the Town Council comments are noted, an arboricultural report cannot be required for a tree in a conservation area notification.

No objection is recommended.

Decision: No Objection
