Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to this planning permission, firstly because it is not a sustainable or an appropriate site for housing and the very narrow access lanes around the proposed location, are a hazard for both drivers, pedestrians, cyclists, and horseriders who frequent these roads. There are no bus routes or shops nearby so heavily dependent on vehicles.

Kind regards
