**Subject:** RE: Neighbour notification for Planning application DM/25/3196 -187 Station Road, Burgess Hill

Good Morning Zeki

Thank you for your email.

I am concerned to hear that the neighbours to this property do not appear to have received their notification letters. I have checked the planning records for this application. These show that the extra letters to Nos 189, 191 and 193 Station Road were printed for sending on 13.02.2026. Once printed all neighbour notification letters are sent from the Oaklands Office in Haywards Heath by second class Royal Mail post.

As the application records clearly confirm that the letters were sent, I shall be proceeding to make my recommendation after 06.03.2026, as planned. This will mean that my report will be viewed by Senior Officers early next week to allow a decision to be finalised by the agreed Extension of time date (by 11.03.2026).

Regards

Anna Tidey

Good morning Anna,

**Re: 187 Station Road, Burgess Hill, RH15 9EG**

I just wanted to inform you that the resident at the above address advised me yesterday that none of his neighbours have yet received a letter regarding the proposed ramp.

Dear Zeki

Thank you for your email confirming the addresses of the neighbouring flats to this site.

The additional neighbour letters were sent on 13.02.2026, and the date for any comments to be made is 06.03.2026. Thank you for your agreement to an Extension of time (EOT) to the Decision Target Date to allow for this late notification.

For your information I shall aim to complete my recommendation report for Senior Officer review on 09.03.2026. Please can I therefore request your written agreement to an EOT to 11.03.2026, to allow for the sign off and Decision Notice issue processes?

I look forward to hearing from you.

Regards

Anna

Station Road, Burgess Hill

Dear Anna,

Thank you for your email.

I have reviewed the survey photos and can confirm that the affected block comprises four flats: 187, 189, 191 and 193 (please see the attached photo).

I am happy to agree to an extension of time to the Decision Target Date.

Kind regards,

Dear Zeki

I refer to my telephone call this afternoon regarding the above planning application.

I am sorry but it has just come to my notice that the neighbour notification letters that have been sent out to the neighbouring properties to this site about this application may have omitted the flats in the same block. This may be due to an error on the planning mapping system, which omits the addresses for the 4 units in the same block as No 187.

**It is my guess that the omitted addresses are Nos 189,191 and 193, but I shall be grateful if you can confirm if this is correct, please?**

If this is correct I will have to send a set of letters out and these will allow those residents a 21 day period to comment upon the application. As the proposed ramp will affect their shared access door way I consider that I need to let them have the chance to review the plans and have an opportunity to comment on the proposed ramp development.

Unfortunately, there will be a delay in the determination of the application and I shall request your agreement to an Extension of time to the Decision Target Date to allow for the 21 day consultation period.

I look forward to hearing from you at your earliest convenience.
