This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

Details of the pre-application advice received

We recently secured a Certificate of Lawful Proposed Use or Development (LPC), reference DM/25/2542, for the same scheme but with light grey windows.

This current Householder Application is being submitted because we were advised that the inclusion of dark grey/black coloured windows would preclude the development from being granted a Lawful Development Certificate.

The proposal's acceptability, subject to the formal application process, is supported by previous officer advice. The following is an extract from the Permitted Development assessment email sent by Ms. Deborah Lynn on 13/11/2025:

“As the replacement windows and doors are located to the rear of the property and would have limited impact upon the appearance and character of the area, my informal opinion is that the Council would not be likely to have concerns with the proposal were a planning application submitted.”

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

- ☒ No

Certificate Of Ownership - Certificate A
