

LED Wall Mounted Lighting

LED Wall Mounted Light Mayfair 15W

The Mayfair 15W is a robust architectural wall mounted light built for high-output applications with an IP65 and IK08 rated enclosure.

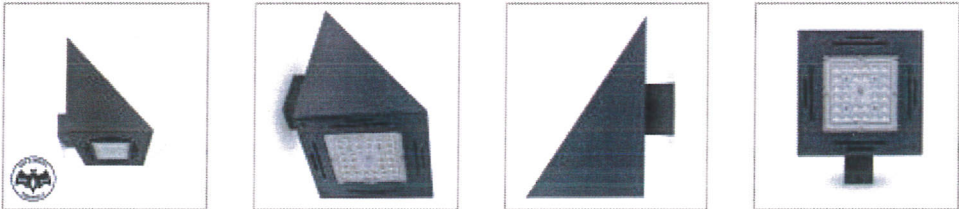

Manufactured in the UK using Osram LEDs and four precise optical options, it enhances visibility in large-scale outdoor wall mounted lights installations.

Available with colour temperature choices, beam angles, DALI, photocell, 3hr emergency, spill shield, and RAL colour finishes.

Compatible with Dark Skies guidance and suitable for bat- and insect-friendly lighting when specified at 3000K or warmer with DALI dimming.
