Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Having children that are part of the junior division of the club, we spend lots of time here and would love to see the enhancement to the pitch. The new pitch might also give the younger players more opportunity to play at their club rather than elsewhere, as currently the pitch is preserved for the senior team matches. If was all weather, our little ones might be able to have more tournaments here and play occasional matches at "their" club.

Kind regards
