Welcome to Aroma where everything is made from fresh ingredients every day, from cooked breakfasts to gluten free cakes, it's made right here on the premises. The original Aroma was created in March 2021 by two friends passionate about fresh flavoursome food made with care, served in a warm and welcoming environment. In May of 2024 we purchased the Barbers next door to double the size of the operation offering more space and more choice.

Nat (Chef) and Matt (Front of House and the other stuff) have worked in hospitality since they were teenagers, and between them have run and managed pubs, boutique hotels, restaurants with accolades and everything in between.

We hope you enjoy your time with us.
