Thanks Brian.

Yep, that's a typo. Should say £5,253. Apologies. Validation date was: 20<sup>th</sup> April 2026.

You can probably hold off drafting too much more atm though. Had a belated objection from Housing Standards. We'll be visiting the site with them tomorrow but will confirm our recommendation by the end of the week to know whether its worth carrying on with the Deed.

Thanks

Hi Andy,

I note that the instructions in this matter provide the SANG Contribution figure as £5,223. However, this is normally £5,253. I assume this is just a typo?

I also note that the instructions do not provide the Date of Validation and will be grateful if you would forward this to me.

Kind regards,
