Reasons for comment:	
Comments:	I don't think having a bin strange at the front is well thought through. The Broadway is a leisure area with many outside sitting area, bars and restaurants and it would ruin the atmosphere and look of the whole area by having unsightly bin storage at the front of the building. I also have concerns for increasing the number of flats located on the Broadway, due to lack of parking at this area, the negative effects it will have on local small businesses.

Kind regards
