

1. All dimensions to be checked on site. All details and dimensions relating to sub-Contractors work must be checked and agreed between the sub-Contractor or supplier and the general Contractor.
2. This drawing is to be read in conjunction with all relevant Architect's and Engineer's drawings and specification.
3. The main Contractor is responsible for ensuring the stability of the structure whilst the works are in progress.
4. Any information given regarding existing underground services is given in good faith after consultation with the relevant authority. No liability is accepted by the Consultant and the main Contractor is responsible for obtaining and checking all information and taking due care and attention whilst undertaking the works.

1. All areas of live traffic and pedestrian movements shall be subject to appropriate traffic management barriers and signs.
2. Access points onto live public highway.
3. Unauthorised access to the site must be prevented at all times
4. Existing road drainage to be maintained.
5. Be aware of possible live drainage flows and foul effluent during construction. The Contractor shall assess and implement a safe working system and equipment (PPE) as necessary.

Road 6

This diagram shows a long section profile of the proposed road alignment. The profile includes a red line representing the proposed road grade, a black line for the existing ground, and a dotted line for the vertical curve. Vertical curve data is provided at both ends:
 Left end: $\text{C.L. lev} = 27.948$
 Right end: $\text{C.L. lev} = 31.519$
 A note in the center states: "Raised platform top is set 100mm above long section levels quoted".
 Road levels are indicated at various points along the profile:
 - Road 1: 27.948
 - Road 12: 28.000
 - Road 14: 28.100
 - Road 15: 28.200
 - Road 16: 28.300
 - Road 1: 28.400

Road 7

Road 8

A red line diagram showing a network of roads labeled Road 1 through Road 29. The roads are interconnected in a complex web, with some roads branching off others. A yellow box at the bottom right contains the text "KEYPLAN".
