Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	A lit advertising board is designed to attract drivers attention, which is not appropriate at this location in front of a mini roundabout at the top of a village. Whitemans Green is a family area with a lot of people using the crossing in front of the garage to access the co-op and the shop associated with the garage. The proposal is not in keeping with the character of Whitemans Green conservation area.
