Scale 1:50 @ A0

	Aluminium standing seam roof cladding. Eurostat Volume 25_404 Aluminium cladding L10306 - 3 No. Clads. Roof cladding Stage 2 type 1 – cladding does not require vertical wall-cladding to align. as clause H91115.	Glazed curtain wall system to lobby entrance. Frame Finish: Polyester powder coated paint finish, colour to match aluminium cladding as clause H111110	Mechanical ventilation through roof terminals with cows and weather flashings. Refer to M&E spec document 1 Volume 5
		Aluminium double glazed windows as clause L02086 to match windows & doorframes.	Metal door joints as clause P21760
2	Aluminium double glazed windows to match doors & windows. Frame Finish: Polyester powder coated paint finish, colour to match aluminium cladding as clause L10306.	Aluminium louvers to match windows, doors & rooflights to match windows & doorframes. Refer to M&E spec document 1 Volume 5.	Movement joint at clause P30610
	Brickwork as clause F01101.	Rainwater gutters: Aluminium with PPC finish. Colour to match aluminium cladding as clause R103130.	Aluminium standing seam vertical wall cladding. Eurostat Volume 25_404 Aluminium cladding L10306 - 3 No. Clads. Coating: Non-ferrous clads D50000 - 3 No. Clads Coated roof panels Stage 1 – cladding does not require vertical wall-cladding to align. NOTE: Roof & vertical wall claddings to align. as clause H91115.
	Bespoke aluminium fascia pressing corner trim as per drawing. The membrane lapting between fascia penetration and bottom face to ensure sufficient airflow where roof is used.	Rainwater downpipes: Aluminium with PPC finish. Colour to match aluminium cladding as clause R103130.	Through-wall mechanical extract vent. Refer to M&E spec document 1 Volume 5.
	Steel structural supports/brackets to comply as SE design specification. Colour: Polyester powder coated paint finish, colour to match vertical wall-cladding.	Rainwater hoppers: Aluminium with PPC finish. Colour to match vertical wall aluminium cladding as clause R103131.	New ASPB and acoustic louvre openings as clause P21760. Refer to M&E spec document 1 Volume 5 & specification drawings.
