Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Loss of habitation for deer Noise and pollution for all our elderly residents especially elderly residents on the corner who will become an island. Has a heart condition and has lived in woodlands close 63 years. Drains cannot cope. Already had 3 weeks of southern water repairing hollow fibre sewerage drain which had collapsed opposite my

house. Kiln road will breakup with more traffic up and down the road. Woodlands close was rejected orginally by the inspectorate as an entrance so what has changed? Schools oversubscribed now children having to seek primary schools in copthorne. Doctors surgery overloaded with no infrastructure in the village.

Kind regards
