Dear Sir/Madam

Reference: DM/26/1647

Description: To install a new low voltage electricity terminal pole and associated support stay wires in the approximate position shown red or somewhere along the linear route shown yellow on the indicative enclosed plan. To Install a new High voltage electricity H-pole pole shown red to support and upgraded 200kva pole mounted transformer to replace the existing single transformer pole. To upgrade the existing overhead low voltage line route shown pink and yellow from 95 ABC (Ariel bundled conductor) to 120ABC.

Location: Land Adj To Annexe Winscot Deaks Lane Cuckfield

I refer to your application received in this office on 2nd July 2026 concerning the above site.

The authority does not have any objection to the above works and they may proceed under the terms of the Overhead Line (Exemption) (England and Wales) Regulations 2009.

Mid Sussex District Council does not wish the Secretary of State to consider the application using the full section 37 process under the Electricity Act 1989.

Yours faithfully

Eric Owens
