Subject: DM/25/0310 Twinham, 24 Hurst Road, Hassocks

Dear Jo,

I have reviewed the tree report for this application and whilst I note the loss of 9 category C trees, these are not a constraint to development. I note that the contorted hazel will be replaced, like for like, as a feature tree.

In my opinion, the other retained trees will be adequately protected, provided the methodology and tree protection measures in the report are adhered to.

I have no objection to this proposal. Please condition adherence to the Tree Report, regarding methodology and tree protection.

Kind regards

Emma
