Dear Emily

Please find attached an updated proposed floor plan drawing that has been prepared to address the comments/discussion points from your site visit. The drawing shows the partition in the window reveal removed as requested, and corrects the drawing error where it was shown remaining in the reveal.

I trust that the submission of the plan should allow you to determine the application in the current timeframes, but please let me know if a short extension of time is required.

Many Thanks

Graham

Dear Graham

Following on from my site visit regarding the above planning and listed building consent applications, I was hoping to receive a revised proposed floor plan as discussed, to show the existing partition to the proposed single bedroom removed in its entirety- as submitted the proposed plan has a remnant of the partition shown to the window reveal, which would seem to be an error. Would it be possible to correct this and send the revised plan over?

As you are probably aware the target date for the current application is 13th February- please let me know if you think you won't be able to provide the revised plan by the 12th, in which case we can agree a short extension of time to allow for this.

I look forward to hearing from you,

Kind regards,

Emily Wade
