Subject: MC Trees - Tree works application DM/25/0703

Categories: Complete, Tom

Hi tom

Here are the amendments to the tree works application for Applegarth in Hurst.

Apologies, Emily is the applicant and owner of the property.

We will be reducing all of the trees by 50% apart from T1, T22, T23 and T24 which will be reduced to where they have been cut previously (2 Metre reduction) .

I have also submitted a new sketch labelling with a key the proposed trees more accurately please do let me know if this is ok.

Kind regards

T1 = Sycamore

T2 - Forcacia tree
