Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Objection to this as in current form, open days one day per month is passable, but any more than this will be far too noisy for this usually quiet area, not to mention the pollution caused, disturbance to wildlife and traffic congestion on the very narrow lanes making it hazardous when spectators are driving to and from the venue, plus all of the trucks and 4x4 vehicles on the lanes.

Kind regards
