**Stance:** Customer made comments in support of the Planning Application

**Reasons for comment:**

**Comments:** I fully support the proposed extension and accessibility improvements to Park Centre.

This vital community space serves a diverse range of people, and making it fully accessible is not just important-it's essential. The addition of a lift, a Changing Places toilet, and level access will

ensure that everyone, regardless of physical ability, can safely and comfortably access the building.

Park Centre plays a key role in supporting youth, local groups, and the wider community. Enhancing its facilities will future-proof it as an inclusive hub that reflects the values of equality, dignity, and community cohesion.

Please approve this application and help create a space that works for everyone in Mid Sussex.
