Comments Details

Commenter Type: Business or other organisation

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: As a local business we strive to be a the main contact for all resident needs. We know that this only happens if the residents feel part the community and care for their town. Having community ties, that's are accessible for all allows people to care, to be proud of the town they live in and this filters through to

businesses. Burgess Hill needs to be rebuilt to gain back a community that cares

Kind regards
