Comments Details

Commenter Type: Neighbour or general public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: It's always nice to have wheelchair assembly in any building. Special a community hubby like Park Centre Burgess Hill is most important. No one should be left out of assessing any part of the centre. It'll be unfair to say to disability people's you can't assess part of the build. Shorly disability assess this go's with out saying.

Kind regards
