Subject: Please don't build 200 houses at Foxhole Farm (Planning Application DM/25/1129)

Dear People at the Council

[REDACTED] live in Bolney with my mummy and daddy. I am writing this letter because I heard about the plan to build 200 houses behind our garden, and I don't want that to happen.

I love living in Bolney. It's quiet and green and I can play outside safely. I ride my bike in the village and listen to the birds. Sometimes I see deer, foxes and owls from my garden. One time I even saw a baby deer really close! I don't want all the animals to go away because of all the building and roads.

If the road goes behind our garden, I won't be able to play there like I do now. It will be noisy and full of cars. I already get sick sometimes, and mummy says the dirty air from cars would make it worse. That scares me.

We already had no electricity and water lots of times. One day we couldn't even brush our teeth or flush the toilet. If you build more houses, will it get even worse? That doesn't feel fair. I walk to school and we always look at the trees and flowers. I want Bolney to stay like it is - small and safe and full of nature. If you build all those houses, it won't feel like Bolney anymore. It will feel like a big town, and I will miss the quiet.

Please don't let them build on the field. I think it should stay a home for animals, and a place where people can enjoy walking and looking at nature. I love my village and I want it to stay beautiful.

Thank you for reading my letter.
