Dear Anna

I have just spoken to my client and he wishes to remove the wall and replace it with a 1.8m high close boarded fence to make it appear softer since the extension wall will be in brick. The existing parking arrangements at the rear will remain as they are currently.

If you have any questions please let me know.

Kind regards

Simon Fitzpatrick

Dear Simon

I carried out my site visit to view this proposal last week.

I have reviewed the submitted plans, including the Floor Plan, see extract below:

Please can you confirm if the existing boundary wall, outlined in green above, and as shown on the attached photos, is to remain as the boundary enclosure on the south eastern garden boundary with the adjacent grass verge?

If not, then please confirm the intended enclosure treatment?

Please can you also confirm whether the existing dropped kerb access, drive and hardstanding area at the eastern end of the garden will remain available for off road vehicle parking for the extended house?

I look forward to receiving your confirmation on these points.

Thank you.

Regards

Anna

Thanks Anna

I have passed on your email to the client who will be there. He will also be able to show you the position of the public sewer.

Dear Simon

I would like to visit the above property **tomorrow morning, Thursday 12th March 2026** to assess the proposal.

I do not need to meet anyone at the site, but I do need to enter the garden. The visit should not take longer than 30 minutes.

I will take photographs of the building and the surroundings to assist in my report writing. **Please ensure any access gates are unlocked and openable.**

If there is any reason why your client would rather I didn't visit then I shall be grateful if you can advise me as soon as possible.

I look forward to hearing from you regarding my visit.

Thank you.

Kind regards

Anna
