Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	My comments are similar to the previous planning proposal. As long as there is no boundary 'oversail' in principle I have no objection. However as I mentioned when commenting on the previous application the pipe for sewage/waste which our house is at the 'head' is very shallow and will be covered by the single storey extension. You will be notifying Southern Water as my main concern is the sewage system may be interrupted causing a health and safety risk to us!

Kind regards
