Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I fully support this application with regard to MSDC District Plan policies, DP24: Leisure and Cultural Facilities and Activities, and DP25: Community Facilities and Local Services (Village halls and community centres). This application is designed to improve vital community facilities, infrastructure and local services that contribute to creating a more sustainable community in Burgess

Hill.

A quality, inclusive, welcoming place for youth and broader sections of the community is greatly needed in Burgess Hill. The redevelopment and improvement of Park Centre will endeavour to meet that need, whilst bringing an historic community building into the 21st century. Improving Park Centre will continue Emily Temple's legacy - ensuring that Park Centre remains a place for the community, by adapting this purpose built facility for future generations.

N.B. I am commenting as a trustee of Park Centre and not as a councillor.

Kind regards
