Address: Red Gables Twineham Lane Haywards Heath

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The size of this mast will be much larger than the surrounding trees. It will be a significant overbearing impact and loss of outlook. Also, Because of the nature of the radio-frequency, there will be damage to the surrounding trees. In built up areas, the council

needs to cut down the trees to allow the radio waves to travel.

Kind regards
